Research Position Grant

The Department of Informatics at the Faculty of Sciences, University of Lisbon invites applications to work on the “Contract Guided System Development” project (<http://www.di.fc.ul.pt/~vv/projects/contracts>), funded by Fundação para a Ciência e Tecnologia. The value is €980 for a PhD student, or €745 for MSc student.

The grant will be for 12 months, renewable for another period of 12 months, and is targeted to graduate students in Informatics or Mathematics. Preference will be given to candidates with experience or training in formal methods for programming languages.

Applications are open from July 1th to September 15th 2004. Applicants should send a detailed CV, together with a contact phone number, address, and e-mail address to:

Prof. Vasco Thudichum Vasconcelos
Secretaria do Departamento de Informática
